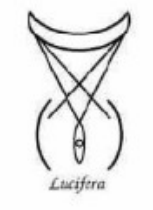
The World is Yours
The Rapture



My Introduction Story

I Lucifera was one day living life like any other day, it was a dark and carefree day. Around sometime in the afternoon everyone was alerted that a national emergency had just commenced, and that everyone from then on would have to live in fear from that point forward.

I of course had not liked this. I rashed out in an awful wrathful anger at my family, and at the girl that I had loved at the time. This was because I felt uneasy, and knew that soon very awful and terrible things were about to happen. I'm not sure if I was the only person around me that was feelings these feelings at that time or if I had just been selfishly rashing out at the world.

I regret how I acted that day.
It is what it is.

Each and every day henceforth had been filled with tremendous joy and pain. People seemed to have a darkness that they shouldn't have had, they seemed to be going crazy and following other people's silly orders. They would wear masks, and they would mistreat any of us who didn't wear masks.

I had read a book about white magick before these events had taken place that so very intrigued me, I was learning so much at the time, and so when people wanted me to wear masks, I said no every time, not once did I wear one of those masks, and I didn't wear the masks once because that book about white magick had shown me ways on how to learn how to obtain my dreams. I had no desires to follow others at all.

Everyday I was on a mission to learn, so that not only could I help myself, but everyone else out in the world also, and I also thought of that as a way that I could have made the girl I chose at the time to be with happy.

I don't think it every made her happy,
I think that my self-betterment was always a terrible sight in her eyes to her.

There were many opportunities that were not allowed to happen for me, that I missed out on. I chose to never wear a face mask, and so I had been treated like the worst person within all existence.

-I was not allowed to go into some stores and buy things,
-I was not allowed to go to places that required face masks,
-I was not allowed to go on trips with my girl at the time,
-I was unable to go inside of a Hospital, because they said that I needed to wear a mask, and so they kicked me out, and I went and waited outside, and they called the police on me.
-I was not allowed to do anything, and everyone kept seeing me as more and more of an awful person because of it.

I felt I was losing my starts

Places such as hospitals had even taken money from where I had worked during those times in taxes from the government to buy items such as face masks to oppress me and others. I did not like that at all and I did speak out about that and I was shunned!

As time went on, they kept demanding more and more money to enforce upon us more and more rules and regulations. I was not allowed to have my own paycheck and I was not allowed to spend my money.

They demanded we pay for items such as poisonous vaccines, and that we pay them our paychecks for their stimulus check “pandemic relief”!

They walked up to me while I was working at my job and said that they were better than me because they were taking my money and my pay, they said I should die and that I was gross because I did not take their vaccines that I had paid for. I thought that all that was messed up and not right. I believe that I have should not have no had to pay for those vaccines if I was not going to take them, and I never did take them.

I told my boss at that time and some customers at that job that I had that I didn’t agree with paying for the vaccines and so he told me to get into his vehicle and I did and he had driven me halfway home, kicked me out to the side of the road, and then proceed to go to my house and then he robbed my house and he stole and disarmed me of all my weapons, just because I had not agreed with how everyone had been stealing from me in unfair taxes and how I had not agreed with paying for the vaccines.

That boss ended up secretly giving my weapons to the girl I chose to be with at the time and she had hid them from me, she definitely was building up more and more dislike and hate towards me more and more because everyone kept taking form me, and but I could do nothing about it. I just had to keep working and having more and more taken away from me.

I was so sick of losing everything, and as I lost everything, everyone else seemed to be getting more and more than me, even the girl I was living with at the time was getting more than me. Everyone was complying and benefiting from just following orders, and I was not accepting those orders and so I was being hurt.

Groups of people started to think that they were better than everyone else, all because of their submitting to the mass stealing that was going on, they went along with it because it was benefiting them! While it was benefiting them, it harmed those like me who were against the corrupt color of law at that time. They thought that they were better than others because they had received more than others.

The only good things that I had seen in my eyes were God, Jesus, and my success. I had worked so hard everyday not just for everyone else, but for myself! I had wrote and learned and discovered new things on my own every single day, I composed music, I became adept at every single thing I wanted for my life. I have drawers full of notebooks!

This went on for about five years.
There were the subtle good moments.
Life is life.

Terrible things had also occurred to me throughout the 6th year also,
Things I don’t want to touch upon or talk about.

I just lost trust.

Judgment Days

The reason for Judgment days to exist is so that Satan may bring us to our blackened consciousness of Ahriman, this binds us to an earth plane.

For God to align our desired light to blackened consciousness, we must choose our freedom from a belief that we hold that is to die for.

-Not every desire that we choose to believe in is beneficial to us.

- A judgment happens around every hour.

"The end of time is like an hour away, damn" – Lil Wayne

To become earthbound, one must have a belief that is to die for, a belief to die for stems from God and aligns to our reality. The reason to have a belief to die for is so that your desired pestilence appears, so that you may be free to roam upon the specific plane of choice. To become earthbound is to become free. When we are free we have our own choice to do whatever it is that we want. So us earthbound ones are the ones who choose to be free!

We Earthbound are those who are alive!
We Earthbound are those who choose life!
We Earthbound are those who choose to be alive.

Taste of Life

Torch, image from unknown source, n.d

What I offer is to give to you a taste of life. It is up you to accept it or not. The reason for this taste of life is to taste a taste of power.

Allow me to be the Torch within the Darkness of this Abyss;

We see Happiness from our structures that we've structured. That is all that there is to be said about this.

I aim to have all within this country thrive. We are the ones who are *top*! We expand our power because our urges seem to need a transfer of energy. I wish to align God into our lives so that we *star* the *Egos* that we desire to obtain. These transfers of energies bring about the aligned apocalypse of others positions. Our realities give us Freedom and authority under GOD.

Never allow yourself to discredit yourself

To become a predator within an abyss is not quite a simple task. You must have the rightly highly equip set of skills for the plane that you're traversing into. When entering into an abyss, there are likely going to be others out there, and they don't care about you at all, and they will be willing to take control of you and consume you.

Check this drawing that I created out;

Whats wrong 👀?
Its just my freedom of speech 😈

<u>When you change the flag - You change the reality</u>

Does this image distill a sense of happiness or worry or fear up on you? How does this change with the United States of America's Flag make you feel?

Normally the United States flag means that everyone is allowed to be themselves. Everyone who is a citizen of the United States of America is allowed the freedoms that the United States constitution upholds. The United States flag also aligns good, evil, and neutral beliefs.

The United States Flag symbolizes *Power* and *Authority.*
The United States flag rules over Gods people, but who is ruling over God's people?
Also who are Gods people?

- <u>The Ruling Class</u> are those who are ruling over <u>Gods people</u>, <u>The Ruling Class</u> are people who either claim to be Gods or they are people who believe that they are superior to others.

- <u>God's People</u> are the rest of the people, the ones' who are being judged under God.

Every individual within the United States fits into one of those categories.

This slight variation of the United States flag that I have drawn symbolizes;

-God
- Freedom
-Individuality
-Originality
-Establishment of roots

The letters “Est.” on the top left of the flag drawing is an abbreviation for the word “Establish”. The establishment of roots symbolizes the establishment of all that the United States flag originally means; *The Judgment of God, The Judgment of Freedom, The Judgment of Individuality, The Judgment of Originality, The Judgment of all that the United States flag would usually stand for.*

“I feel like the world is fallen and i'm risen”
- Lil Wayne

Our desired associations connect our visions, our structures together to desired lives. Flags communicate for the reasons of one’s desired beliefs. Flags cause a regularity, a division, a split perhaps. That split of desired beliefs for people’s lives upon a plane gives way to starts that are experienced. These experiences are what the people under the flag are: Fans. Flags cause us to obtain what we are fans of.

Flags draw in fans.

There are multiple planes that one could simultaneously be living upon, such as living within a country but you also could be supporting the state that you’re living within.

A plane is the realm that you’re currently experiencing and residing your focus upon. That realm is what gets divided by Flags, Planes are regulated by flags. This regulation desires our desired beliefs.

And our desired beliefs are basically our desired sins.

A plane can be determined by; the moment’s symbolized flags, which can be either “*Land Countries*” or “*Sky Countries*”.

One may also have no flag association, and so they could be considered “*nomads*” or the *ones’ without counties*. The o*nes’ without homes*. Those who have no countries are susceptible to all flag effects incoming from elsewhere such as their customer base’s beliefs.

It seems that those who stop waving their flags, forget about their countries benefits and so they lose their rights to be within that country. This happens spiritually, even if they were born within that specific country, they will still be treated as the lowest form or being that there is.

People are able to stack flags! What I mean by this is that people are able to have multiple flags out for themselves. Many people do this already, naturally, subconsciously. They are either told to do it, or they have been raised to hoist flags, or they want to fit with everyone else, or some other reason.

Some but not many actually know how to reap the benefits of flag magick consciously. To reap the benefits of the flags, you must stay true to yourself. *I recommend you only commit the sins that treat your wounds, lest he shall make ye forget*

Within the United States, The Ruling Class are the Gods who judge God's people
The Ruling Class believe they are Gods don't they?

Since every person who is a citizen within the Untied States has the right to the Freedom of Speech, that means that they also uphold the benefits to what their speech entails. The individuals who don't claim to be gods are thus ruled, and often controlled under the flags of others. Yes, here within the United States we are allowed to divinate groups of people with flags, any flags! We are able to divinate and we are able to reap the benefits of our divinations!

We really like to tick others off over here, we predators thrive from that

Every flag has the ability of an Above and an Ability of a Below. (example, in the United States: the Ruling Class Gods reap active benefits, while the Lower Class God's People have their speech become reality)

Now when we place someone under the control of another's flag, such as a State Flag, those who are practicing the *sin* of the flag tend to be on the lower side of the spectrum (holding less/different rights) and the more they sin the more they are susceptible to forget that they have the option for different lives.

You see every flag contains a type of sin. You are either above the Sin, holding special rights over the below Sinners that the specific flag represents.

A Dark Moon = Sin
A Dark Moon = A Desired Belief

A Sin = A Desired Belief

Over time the more that an individual commits the sin of the flag, the more they become used to that flag's authority. The more there is regulation and they get used to it and the more they forget who they used to be.

Committing the sin causes you to enter into a new abyss, with a new flag

A Flag = Abyss

When we support and hang a flag within other's visions, that causes a shift and change in our plane's realities:

-Such as if we were to hang a flag outside our house, the inside of the house would be ruled under that flag.

The more one commits their flag's sin, the more they are not going to be a ruler over their flag's sin. A Flags sin is usually what the lower classes of the flag believe in. A Flag uses the cover of the lower class's sin so that a ruling class may covertly obtain Power over others.

Flags could also be considered masks.

Flag Magick

There is this highly individualistic way of organizing your beliefs about flags out onto paper, so we get a clearer picture of what the classes of a flag are, or so that you could create a flag for yourself!

This foundational method of flag magick is individualistic because your are deciding how you see reality from what you personally notice about a specific flag.

Everybody may see reality different or they may see it similar to someone else. If you think that your idea is unique, it probably is not. The way things work is; once you discover something on your own, you start to see other things that match up with what you discovered. This happens even if you discovered a thing on your own!

Chances are; we are creating our own realities, as we see fit.
We High Class within the United States consider ourselves Gods
Remember though, it is possible to have unique ideas
😉

Firstly I will present my views and experiences via the two different flags; The United States of America, and Japan, and then I will show the foundations to the *flag magick*.

The Pestilence of the Japanese Flag

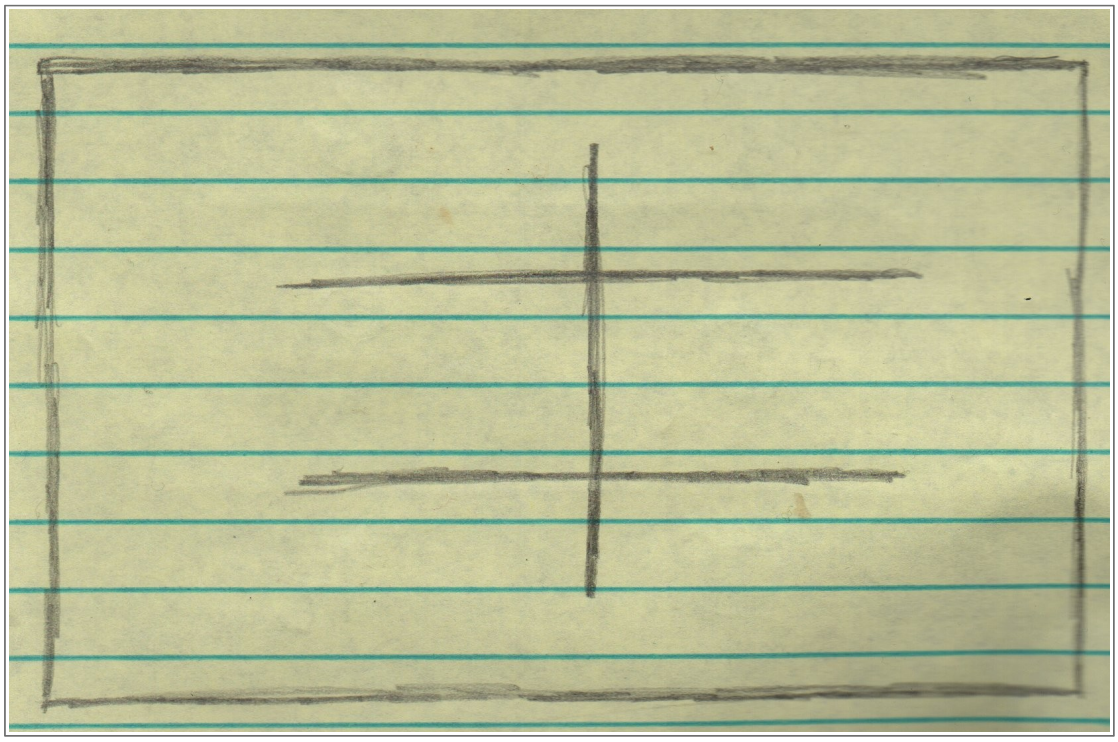
Power Class	
Fathers	Motherly
Individuals/Sun	Orderly
Drifters	Lawful
Expiriences Class	

- Drifters do their own thing and go along with the Moments.

- Orderly respect and tend to Spiritual matters

Based on my Expiriences

Method of Flag Magick;



First start off with drawing this symbol within a flag shaped box

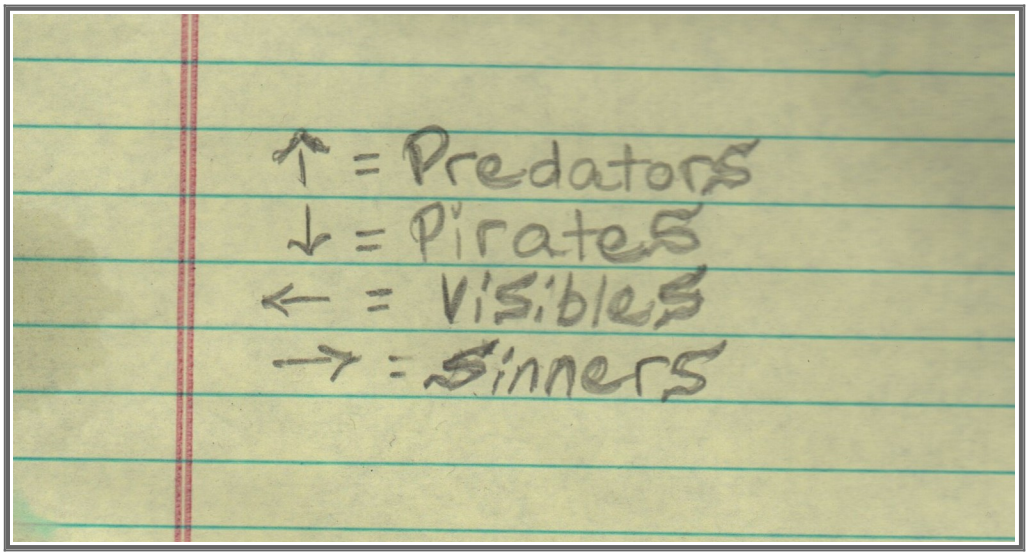
Know that;

To The *North*, The ***Predators***

To The *South*, The ***Pirates***

To The *West*, The ***Visibles***

To The *East*, The ***Sinners***



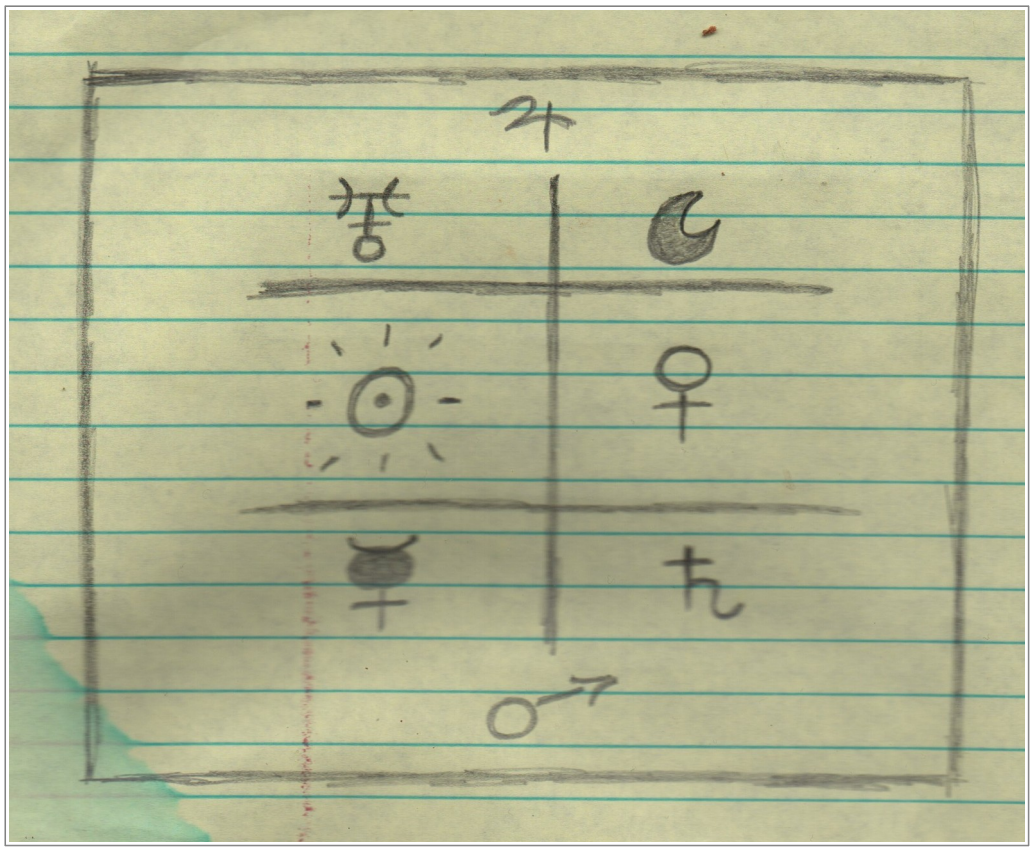
Predators are those who rule the plane, know it in and out subconsciously, and are able to reap the benefits of their desires at any moment.

Pirates are those who have a desire, see what they want, and then go after it. Pirates fall to the south of the table because they usually commit the sin of the treasure once they obtained what they seek. (a flag being considered the treasure)

Visibles are those who are seen by everybody, but they are there for a reason, they are in many, sort of like Legion. They live out average lives, mundane and are considered regular to their plane

Sinners are those who commit the Sin of the Treasure. The Sin of their Flag. They have the possibility to do anything that they please and they are Chaotic in nature. They are easily fed upon by the Predators and usually without knowing it.

Astrologically here is the foundation;



Look at what I have presented and let ideas soak in.

Remember that this method of deriving what a flag means is completely individualistic in nature. Not everyone will have the same derivations, same may.

Use your imagination!

Organize and write it your own way from your own thoughts and experiences! Be unique, be individual!

We base our derivations from our knowledge and experiences. We are also able to create our own custom groupings for custom Flag Designs. (Let the ideas soak in)

Flags are able to take us over to new realities when applied correctly. They bind us to earth, and cause us to become earthbound under their influences.

A good use for Flag Magick that I recommend is to place flags in the background of your art/content if you have not done so already.

-There are also many types of different types of Flag Magick.

Different Flags = Different Abysses

-Flags themselves are able to put individuals under certain spells.

-It is best if you do not talk about your Flag Magick openly to anyone, besides just a few you who you trust, and let them know also that it should be kept secret.

-Also its best to not tell anyone about how you are currently using flag magick. Just put up the flag, just put on your mask.

Let them see, let them be afraid.

He knows all.

The one's who rule at the top of their flags are able to fall *and* The one's who are at the lowest of classes are able to rise.

Such are the cycles

-What the lower half of the flags people say, happens to everyone. What the lower classes say, effects everyone's reality.

-When the higher half of the flags Falls, they effect the lower half of the flag which pulled

To rise to the Higher Class of any flag, one must not commit sin, and/or one must also confess their last flag's lower half's sins, in some sort of way, publicly. If one believes that they were flag-less while they have sinned, then they have had their memory wiped and should reference over to what flag their believed sin belongs to.

Confession causes one to rise out from a flag, and *he will see and judge ye accordingly, gifting unto you the new sin which is the Higher Heaven which you seek*

Sky Countries are countries that are not of the land, meaning that they don't belong anywhere natively that is land based. They are Countries that are quite literally within the air, within the sky! Sky countries are flags that represent ideas, not grounding to any physical land. Thus their power is more limited than Land Countries, yet still very potent.

This is the symbol of Sky Countries;

Name; Deloxia

Land Countries are countries that are bound to the land. The are more widely known. Land Countries are literally the flags of Ordinary counties. These flags usually have written universal rights and beliefs attached to them. These flags are often powerful and represented by "ordinary" citizens and officials.

The is the symbol of Land Countries;

Name; Flaoxia

--

A Sin = Desired Pestilence
Desired Pestilence = A Flag
A Flag = A Satan

Life is not just about love.
Everything that happened to me i was at fault for, thus my Judgments happen.

In my opinion, I believe that we each need to find our own ways to make ourselves individually happy.

Flag Magick has results because of The Falls.

It pains me to inform to you that you have read too far.
Reading too far into anything can be dangerous.
Do you Proceed?
I shall be there, upon your layer soon enough.
I Lucifera cause the most Chaos, for I am of a Lower Layer
If you happen to be at a lower layer;
Tell someone your Sins, and you shall be set free.
Tell someone your Sins, and you shall rise
Tell someone your Sins
Tell someone your Sin

Quotes From The Holy Bible – John

"This is the message we have heard from him and declare to you: God is light; In him there is no darkness at all. If we claim to have fellowship with him and yet walk in the darkness, we lie and do not live out the truth. But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus, his Son, purifies us from all sin"

"If we claim to be without sin, we deceive ourselves and the truth is not in us. If we confess our sins, he is faithful and just and will forgive us our sins and purify us from all unrighteousness. If we claimed to have not sinned, we make him out to be a liar and his word is not in us"

"My dear Children, I write this to you so that you will not sin. But if anybody does sin, we have an advocate with the Father – Jesus Christ, the Righteous One. He is the atoning sacrifice for our sins, and not only for ours but also the sins of the whole world."

"We know that we have come to know him if we keep his commands. Whoever says, "I know him", but does not do what he commands is a liar, and the truth is not in that person. But if anyone obeys his word, love for God is truly made complete in them. This is how we know we are in him: Whoever claims to live in him must live as Jesus did."

"Anyone who claims to be in the light but hates a brother or sister is still in the darkness. Anyone who loves their brother and sister lives in the light, and there is nothing in them to make them stumble. But anyone who hates a brother or sister is in the darkness and walks around in the darkness. They do not know where they are going, because the darkness has blinded them"

"And now, dear children, continue in him, so that when he appears we may be confident and unashamed before him at his coming. If you know that he is righteous, you know that everyone who does what is right has been born of him."

"Everyone who sins breaks the law; In fact, sin is lawlessness. But you know that he appeared so that he might take away our sins. And in him is no sin. No one who lives in him keeps on sinning, No one who continues to sin has either seen him or known him."

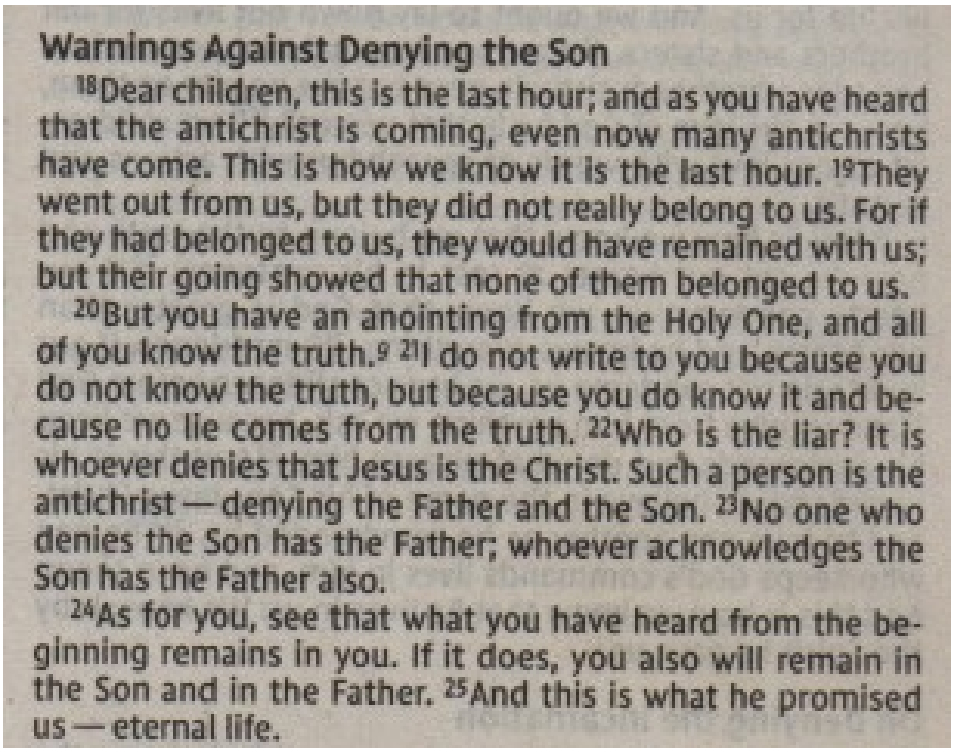
"For this is the message you heard from the beginning: We should love one another. Do not be like Cain, who belonged to the evil one and murdered his brothers. And why did he murder him? Because his own actions were evil and his brothers were righteous. Do not be surprised, my brothers and sisters, if the world hates you. We know that we have passed from death to life, because we love each other. Anyone who does not love remains in Death. Anyone who hates a brother or sister is a murderer, and you know that no murderer has eternal life residing in him."

“This is how we know that we belong to the truth and how we set our hearts at rest in his presence: If our hearts condemn us, we know that God is greater than our hearts, and he knows everything. Dear friends if our hearts do not condemn us, we have confidence before God and receive from him anything we ask, because we keep his commands and do what pleases him.”

“Dear friends, do not believe every spirit, but test the spirits to see whether they are from God, because many false prophets have one out into the world. This is how you can recognize the spirit of God: Every spirit that acknowledges Jesus Christ has come in the flesh is from God, but every spirit that does not acknowledge Jesus is not from God. This is the spirit of the Antichrist, which you have heard is coming and even now already in the world.”

“We know that anyone born of God does not continue to sin; the One who was born of God keeps them safe and the evil one cannot harm them. We know that we are children of God, and that the whole world is under the control of the evil one.”

“Dear Children, keep yourselves from idols”



Warnings Against Denying the Son

18 Dear children, this is the last hour; and as you have heard
that the antichrist is coming, even now many antichrists
have come. This is how we know it is the last hour. 19 They
went out from us, but they did not really belong to us. For if
they had belonged to us, they would have remained with us;
but their going showed that none of them belonged to us.
20 But you have an anointing from the Holy One, and all
of you know the truth.9 21 I do not write to you because you
do not know the truth, but because you do know it and be-
cause no lie comes from the truth. 22 Who is the liar? It is
whoever denies that Jesus is the Christ. Such a person is the
antichrist — denying the Father and the Son. 23 No one who
denies the Son has the Father; whoever acknowledges the
Son has the Father also.
24 As for you, see that what you have heard from the be-
ginning remains in you. If it does, you also will remain in
the Son and in the Father. 25 And this is what he promised
us — eternal life.

- John (Holy Bible)

It hurts because I know I really pissed him off,
my heart hurts because I couldn't stay.
I really cut him off.
That light made me feel like a firefly
yet I have my life
